

U. S. MARINES TAKE HAND IN FIGHTING ON ADRIATIC SHORE COMPLETELY ROUTE FORCE OF ITALIANS MARCHING ON TRAU

Serbian Troops Reach Trau Immediately After American Marines Land.

The Italian Advance Ended By Marines and Force Compelled To Retreat.

Economic Boycott of Italy is Threatened For Defiance Of Allied Powers.

Political Situation in Italy is Nearing a Crisis.

(By Associated Press.)

Paris, September 26.—American naval forces have taken a hand in the swiftly moving events along the eastern shore of the Adriatic, according to Copenhagen advices.

United States destroyers appearing off the port of Trau, when Italian soldiers attempted to force their way into the town, brought the attack to a sudden stop, the Italians retreating hastily, it is said.

One Italian armored car with its crew fell into the hands of the Jugo-Slavs, who were defending the place, but the prisoners were taken over by American marines and transferred to an Italian ship.

Serbian troops arrived at Trau soon after the marines were put ashore, and the town was turned over to them by the marines, who retired to their ships, according to reports.

The Crown Council of Italy met yesterday, and the belief is expressed that the council had before it a reply from President Wilson to the Italian proposals intended to settle the Fiume problem.

Advices from Rome do not indicate the nature of the reply, but in Italian circles it is said that the proposals were rejected by Mr. Wilson, who also threatened an economic boycott if Italy persisted in holding Fiume in defiance of the Allied Powers.

American delegates would not discuss the report. The d'Annunzio forces at Fiume are said to have extended their lines back by the city so as to include high ground strategically necessary for the defense of the city.

The political situation in Italy is apparently near a crisis, according to a report, the advocates of the annexation of Fiume including some of the more powerful elements.

POLICE FIRE SEVERAL SHOTS

Attempt of Pickets to Interfere Brings Clash

Canton, O., September 26.—Several shots were fired by special police during trouble which occurred at the plant of the Timphen Roller Bearing Company last night when pickets attempted to interfere with men going to work. Two men were reported hurt.

DEVELOPMENTS OF THE DAY MAY END BIG STRIKE

Mystery Surrounds the Meeting Of The Unskilled and Semi-Skilled Workers.

Both Sides Claim to be Confident of Purpose and Outcome.

Possible Strike of Lake Seamen Also Matter of Concern.

Four Thousand Men Return To Work At Chicago Plants.

(By Associated Press.)

New York, September 26.—Three important developments were pending today in the steel strike, any one of which may have a vital bearing on the outcome of the great industrial struggle.

In Pittsburg the National Steel Workers' Committee was to meet late today and a definite decision was expected in regard to calling out the 40,000 workers in the Bethlehem steel plant Sunday.

In Youngstown, where the strikers have succeeded in tying up the steel industry in the Mahoning Valley, meetings were announced of unskilled and semi-skilled workers to discuss the question of returning to work.

Some mystery enveloped these meetings as both the strike leaders and the steel mill managers claim to know nothing of their origin.

The third development was promised at Cleveland where the executive committee of the Great Lakes Seamen's Union, representing 20,000 seamen, engineers and men of allied trades, met to decide whether their organizations would declare a sympathetic strike. Such a strike has been authorized by the International Union.

With conditions remaining virtually unchanged the Senate investigation at Washington was the focus of attention on both sides.

Usual conflicting claims were made by the opposing sides in the battle grounds of Pittsburg and Chicago but all definite news indicated no important change in conditions.

At Pittsburg two additional small plants closed and an attempt to reopen a third was reported by the police to have failed. Corporation officials made the customary claim that strikers continued to return to work at various points.

The management of the Illinois Steel Company at Chicago announced they had 4,000 men at work, most of whom were returned strikers. On the other hand the strike leaders denied any such claims.

SHE'LL BE FIRST LADY IN BASEBALL IF CINCI WINS

Mrs. Pat Moran.

When Pat Moran entered his house one day last spring and said to Mrs. Moran, "I've signed to manage the Reds," she probably said: "All right, let's give them a pennant." She looks just like that kind of a helpmate. The Reds capped the pennant. Now, if they cap the world series, too, Mrs. Moran may well be called the first lady of baseball—for Pat will be king in the baseball world.

Knox Wants Daniels To State If Marines Were Landed At Trau.

(By Associated Press.)

Washington, September 26.—Secretary Daniels was asked in a resolution by Senator Knox republican, adopted today by the Senate, to report whether American marines were landed at Trau in Dalmatia, to compel its evacuation by Italian forces, as reported in dispatches from Copenhagen and Paris.

A resolution by Senator Lodge also adopted without discussion asked the State Department whether marines had been sent to Europe to aid in carrying out provisions of the German peace treaty for a plebiscite in Schleswig-Holstein.

MOST BELOVED ROYAL COUPLE IN EUROPE COMING TO U. S.

King Albert, Queen Elizabeth and Crown Prince Leopold of Belgium.

King Albert and Queen Elizabeth of Belgium, the most beloved royal couple in all Europe, and Crown Prince Leopold, are to arrive in the U. S. Oct. 1 for a visit. The fortitude shown by the king and queen in the days when the Germans swept through Belgium endeared the couple in the eyes of their people. The king and queen gave up their royal palaces and lived as the rest of the people lived. The queen worked untiringly to help the women and children of the nation while King Albert was at the front.

Since the war the democratic spirit of the people has made them exceedingly popular outside of as

well as inside of their country. They have made several airplane flights from the European mainland to England.

King Albert has said that his visit to the U. S. is for three main purposes, to thank the Americans for what they did for Belgium, to repay President Wilson's visit to Belgium and to "learn something" from American ways and ideas.

The Crown Prince Leopold is the only one of the children accompanying the royal couple, according to reports. He is eighteen years old.

FOSTER'S VIEW NOW ALTERED GOMPERS SAYS

Labor Chief Admits Agitator Once Held Radical Views

(By Associated Press.)

Washington, September 26.—After hearing Samuel Gompers, president of the American Federation of Labor, for more than three hours the Senate Committee investigating the steel strike today abandoned its plan to examine tomorrow Wm. Foster, secretary of the Steel Workers' Committee, who has been attacked in the House of Representatives as a radical.

Chairman Kenyon announced that the inquiry would not be resumed until next Wednesday when Chairman Gary, of the Board of Directors of the United States Steel Corporation will be heard. He gave no reason for not hearing Foster tomorrow but other members said Foster would be called at some future time.

Foster was defended before the Committee today by Gompers who said Foster had changed the radical views he held some time ago and that had he not done so the witness would not have consented to serve with him.

The right of employees to have some voice in determining the conditions under which they work is the paramount issue in the strike, he said.

LEADERS PLAN A CONFERENCE

Possible Compromise of Treaty Now Being Discussed

(By Associated Press.)

Washington, September 26.—After President Wilson's return Sunday democratic leaders in the Senate plan to seek an early conference to advise him of the peace treaty situation and discuss a possible compromise over reservations.

Some prominent democratic senators said they planned to advise the President to carefully consider acceptance of some sort of reservations.

It was said to be possible that their advice would extend to recommendations that reservations be accepted or that the treaty be withdrawn from the Senate at least temporarily.

MASS MEETING SCHEDULED FOR STEUBENVILLE

West Virginia Mill Workers Are Asked to Join Meeting.

(By Associated Press.)

Steubenville, September 26.—Local steel strikers will hold a mass meeting at the court house here tonight at which the workmen from the Weirton Steel Company at Weirton, W. Va., near here, have been invited to attend.

Union leaders announced that if Weirton men do not turn out local strikers will parade to Weirton to hold a meeting.

Employees of the Weirton Steel Company are not organized and the plant is operating 100 per cent. The strike situation here was quiet today.

PRESIDENT'S SPEAKING CAMPAIGN CANCELLED

Illness is Given As Cause For Abandonment of Tour At Wichita.

REACH WASHINGTON SUNDAY

Thousands of People Wait At Wichita But President Does Not Leave Train.

Nervous Break-Down of Chief Executive is Feared By Dr. Grayson.

(By Associated Press.)

Wichita, Kansas, September 26.—President Wilson today cancelled the remainder of his tour, under orders from Admiral Grayson, the President's physician, and will return to Washington direct from Wichita.

Admiral Grayson gave illness and physical exhaustion as the reason for his action.

Although it was said there was nothing critical about the President's condition, Dr. Grayson declared a nervous reaction affecting his digestive organs made suspension of his trip imperative.

Mr. Wilson was ill most of last night, and the decision to return at once to Washington was reached just before his train arrived in Wichita.

The President himself wanted to continue his speaking program but Dr. Grayson would not permit it. The President's address, which was to have been delivered here this morning, was cancelled.

Thousands of people had lined the streets to see the President and were disappointed at his inability to leave the train.

The presidential train did not pull into the station here, remaining on a sidetrack at the edge of the city. Dr. Grayson would not permit him to leave his private car.

Leaving Wichita at 11 o'clock today, the presidential special will reach Washington Sunday morning.

Although outwardly the President appeared to be standing well the hard ordeal of more than three weeks of travel and speechmaking, it became known today that for some time he had suffered from headache.

He also has been much fatigued by the confinement of his special train, interrupted only by short stops where he could speak to audiences and shake hands with people. He also has made no public appearances since he left Washington, and he has spent all but about half of his time on the train. His doctor remained on his usual schedule.

ANNUAL MEETING FAYETTE COTNTY W. C. T. U. IS HELD

Mrs. Alice Taggart Again Honored With Position of President.

Forty-third Annual Convention of White Ribboners Full of Interest.

The 43rd Annual County Convention of the W. C. T. U. was held in the Methodist Church Thursday. Representatives from eleven unions were in attendance, and the meeting was one of the most successful ever held.

The morning session was devoted to business of Union. In a short executive session, the following department superintendents were recommended, and later elected; Evangelistic, Miss Roxie Corbett; Fair, Miss Tillie Van Gundy; Press, Mrs. Pearl Darlington; Flower Mission, Mrs. Augusta Haines; Suffrage, Mrs. Huldah McGrew; Sabbath School Work, Mrs. Frank Christopher; Health and Efficiency, Mrs. Laura Pine; Periodicals, Mrs. Cora Cox; Red Letter Days, Miss Blanche Roberts; Scientific Temperance Instructor and Anti-Narcotics, Central Committee.

The Convention proper was called to order at ten o'clock. Mrs. Lewis, President of the Clinton County Union, led in prayer, followed by Roll Call and the reading of the executive meeting.

The statement of the Corresponding Secretary reported 11 Unions with 412 members in the county, and the sum \$1368.25 paid to the Jubilee fund also \$11 to the Willard fund, \$7 to the Lillian M. Stevens fund, \$45 to campaign fund, besides several Union papers subscribed for.

The County Treasurer followed with her report, and thanked the Unions for promptness in the collection of their dues.

Excellent reports were given by the various department superintendents. In the absence of the Press Supt. the report was given by the President, who introduced Mrs. Cadwallader formerly of Clinton County, who made a short talk. Owing to the absence of the Supt. of Sabbath Schools, no report of this work was given. Mrs. Taggart gave a splendid account of the work in the Scientific Temperance department.

One hundred and fifteen essays were written by 7th and 8th grade pupils during the past year. Three Unions, Washington C. H., Jeffersonville and Bloomington, awarded prizes, to their pupils.

The election of officers resulted in the re-election of Mrs. Alice Taggart President; Miss Icy Allen, Corresponding Secretary; Mrs. Laura Pine, Recording Secretary; Mrs. Carrie B. Willis Treasurer.

Manners

They are to character what raiment is to the body.

Success seeks the company of those who are affable in approach and agreeable in conduct. A smile can dent the hardest crust of ill-humor.

Life, says a philosopher, is not so short but there is always time for courtesy; and another holds that the small courtesies sweeten life, while the greater ennoble it.

A pleasant look, a civil word, a helpful deed—these things may seem at times but trifles, yet they mean so much. They smooth the path of existence; they open the door to esteem; they are the stamp of character. In the contact of daily routine, courtesy is the touch of life that makes the whole world kin.

In our store the practice of Courtesy is an essential to the business.

Display of Sumptuous Dress Goods

Our displays consist of only those fabrics which are now being used by the foremost Parisian and American dressmakers for the fashioning of the new suits, coats, dresses and skirts. These fabrics include charming velours, broadcloths, wool jerseys, worsteds, serges, fricotines and duvetyns and other seasonable cloths, in light and heavy weights. They evidence a wide range of quiet colors and a splendid variety of stunning weaves. Their prices will make you anxious to get busy with the needle.

Children's Coats and Dresses

Most of these charming coats are miniature reproductions of women's styles—very beautiful and practical in every way. Of course, these styles have not been followed absolutely—they have been changed just enough to make them most appropriate for the little folks. There are also many original models created specially for Misses and Children. Certainly there are styles aplenty for even the most fastidious mother.

Hosiery

Every piece of wearing apparel you buy, these days, presents a problem, yet nothing more than the silken hose you so delight to wear. So often the color is right, the texture right and the price, as well, then a single imperfect stitch means their beauty and their usefulness are gone.

So you'll find the greatest pleasure in the line we carry, especially at a time when the real scarcity of good hose and their high cost is an undoubted post-war condition.

Pure dye hosiery in black and solid colors that exactly match your high boots, shoes or pumps. Great is the satisfaction of their silken luxury.

A beautifully impressive in memorial service for the departed members, Mrs. Alsina Silcott, Mrs. Martha Capps of Sugar Grove Union; Mrs. Estella Hicks, Mrs. K. C. Maynard, Mrs. Corda McLean, and Mrs. Florence Ireland was held. Mrs. Austin F. Hopkins gave a short talk of love and appreciation of these faithful lost members.

Mrs. Lewis and Hadley of Clinton County Union were introduced and made a few well chosen remarks. Mrs. Elva Post offered a short prayer, prior to adjournment.

Miss Roxie Corbett opened the afternoon session with devotionals. Mrs. Van Gundy, Superintendent of Fairs and Mrs. Haines, Superintendents of Flower Mission gave fine reports of their work.

In appreciation of the 21 years Mrs. Taggart has served this county as President, Miss Corbett presented her with a lovely cameo brooch from the members.

The remainder of the afternoon was devoted to Suffrage. A talk on the life of Mrs. Susan B. Anthony by Mrs. McGrew and the life of Dr. Anna Howard Shaw by Mrs. Owens, an account of our work in the legislative halls by Mrs. Williams and the part Frances Willard played in the Suffrage movement, by Mrs. Taggart, preceded the Main Suffrage speech.

Miss Edith Gardner sang beautifully "The Home Road" before Mrs. Nina Craig introduced Miss Zara Du Pont, First Vice President of the State Suffrage Association. Miss Du Pont in a clean concise manner outlined the work, that is before the women of this county.

Members of the Crusaders and daughters of the Crusaders present were asked to rise previous to the singing of the Crusade glory song. The president then followed with reminiscences on the Crusade. Mrs. T. K. Carpenter told of "My Part of the Crusade."

MISS DUPONT'S ADDRESS PLEASES LARGE AUDIENCE

Talented and Able Leader Makes Distinct Hit For Cause in High School Auditorium Address.

A splendid audience of representative men and women of Fayette county greeted Miss Zara Du Pont at the High School Auditorium, Thursday evening at eight o'clock and listened to the speaker's very intelligent and entertaining address on the Fundamentals of Suffrage.

While the meeting Thursday night marked the close of a series of suffrage teas that have been held by the women of Fayette county for months past in the work of organization, it also was the first opportunity Fayette County folks have had to hear suffrage discussed by so notable an advocate and speaker. The audience was greatly pleased with the address.

Mrs. David H. Craig presided at the meeting and after reporting that the work of organizing the women of the county had already been practically completed and the remainder of the work planned introduced with happy remarks, the speaker of the evening.

Miss Du Pont based her talk on the number of objections voiced by the women of Fayette County, in the house to house canvass. She took these objections and answered them.

Her first important point was that brought by opposers to suffrage so often, that "Only women who pay taxes should vote." She said all women pay taxes, not only property holders pay taxes, but every woman who drinks a cup of tea or coffee, or buys a woolen dress is a tax payer, because she pays for the tariff charged when those goods are imported into this country. Property holders as a rule do not pay the tax, but the tenant who rents from the property holder, but perhaps owns no property, is a real tax payer.

"Should we include all the ignorant women voters?" We let all men vote whether ignorant or not. In Ohio for the past fifteen years five girls have graduated from our high schools to

every three boys, thus showing that women are better educated.

"How would we judge the ignorant from the intelligent voter?" Miss Jane Addams of Chicago, says, she would rather have the intelligent vote of the women of her neighborhood on any vital question, than to have the vote of Lake Shore Drive on the same vital question.

That the women of Lakeshore Drive, in their comfortable homes are not interested in the same vital questions, that the women of her home district are interested in. She considers the ignorant vote, the vote of the comfortably housed rich woman.

"Woman's place is in the home." "We all admit that woman's place is in the home, but the man's place is there too. The man, no matter what his business can take the necessary 15 or 20 minutes a year to cast his ballot in the interest of good government in his home town. Where could we find a woman who could not be spared a half hour in the whole year, from her home, to cast her ballot.

"I am afraid it will make women forward. I don't like parade and street speaking." When the women of America were trying to keep our country out of war, and we held large peace parades all women were glad to march in those great patriotic demonstrations. They were not criticized for parading in the streets. The anti-Suffragists and the Suffragists marched shoulder to shoulder through the streets of almost every city, town or village in the United States. If women can march in peace parades without criticism why should they not march for a great fundamental principle like woman suffrage?

"Women will vote as their husbands." In the western states where women vote it has been demonstrated that the women cast an independent vote, some times voting as their husbands do, but often voting from their own personal conviction. Other important objections answered were, cause divorce, women will not use the ballot if they have it; men have placed woman on a pedestal.

Miss Du Pont said in closing: The prejudice and ignorance have been the causes of the long delay in granting the women the ballot. Most people are proud of the fact, that they are conservative. The true definition of conservatism should be the fear of a new thought. It is really lacking progress. We should all wake up and study every new fundamental question, and if it meets with our approval help to forward the ideal—not through prejudice and ignorance oppose it."

SERIES OF SERMONS ON THE SEVEN CHURCHES

A significant series of sermons is being announced by G. E. Groves, minister of the Church of Christ, which he will preach during next few weeks at the regular Sunday services. The general theme is: The modern message of the Seven Churches of the Book of Revelations for us in the present reconstruction of the world.

The following are the subjects:

- 1 Ephesus—The Church that had forgotten its divine mission.
- 2 Smyrna—The Church that was infinitely rich though seemingly poor.
- 3 Pergamum—The Church that was compromising with the world.
- 4 Thyatira—The Church that was growing despite of internal handicaps.
- 5 Sardis—The Church which tested by the divine signs of life was pronounced dead.
- 6 Philadelphia — The faithful Church which was a pillar in the temple of God.
- 7 Laodicea The Church that was lukewarm, half-hearted and powerless.

EARLY MORNING FIRE DESTROYS J. D. POST BARN

Incendiarism Suspected Because of Unusual Hour of The Fire.

Loss Will Reach Between \$3,000 and \$4,000 With Light Insurance.

A large barn on the J. D. Post farm three miles south of this city was destroyed by fire which started about 3:30 Friday morning, entailing a loss of \$3,000 to \$4,000 with only about one-fifth covered by insurance.

The flames were eating their way through the center of the roof when discovered by John Tillet, who resides on the farm, and the entire interior of the barn was soon a roaring mass of flames, so that nothing could be removed.

The origin of the fire is unknown, but some indications point to incendiarism, as a fire in a barn so early in the morning is decidedly out of the ordinary.

It is believed by some that a tramp was sleeping in the structure and that sparks from his pipe, or probably a lighted match started the fire. There was no indication, however, that a human being had perished in the fire, so that if a tramp did kindle the fire, he escaped.

Mr. Post's loss above insurance will exceed \$2,000, while Mr. Tillet's loss will reach nearly \$1,000, his Ford automobile being destroyed along with the hay and other contents of the barn.

Eleven Months After

Unexpected and a little startling, to a great many people, is the fact that in all this world of unrest Germany is the most orderly, most industrious and apparently the most contented among the nations.

While the news columns of the daily press are crowded full to overflowing with reports of strikes, labor disturbances, shortage in every line, high living costs, political agitation, uncertainty and unrest there are no reports of strikes, disorders or unrest in Germany where many people, who did not make due allowance for the German character and temperament, expected the most chaotic conditions to prevail.

Compelled to accept the peace terms imposed by the allied nations, which thousands of sentimental men and women, including Senator Knox of Pennsylvania, denounced as cruel and unjust—terms which would forever crush her as a military and commercial power.—Germany has accepted conditions, gone to work and expert observers are unanimous in the opinion that in an incredibly short time the Huns will again be a factor in the commercial and financial life of the world.

Not only has Germany agreed to meet the tremendous indemnity payments demanded, not only has she surrendered her navy and her fleet of merchant vessels, thousands of railroad cars and locomotives, factory machinery and industrial appliances of all kinds but, to meet the demand of the allies, has deposed the Kaiser and the royal family, set up a republic (in name), recognized democracy (with her fingers crossed), and out of all brought order and started to work—producing and economizing—with a determination to accomplish what many people in the victorious nations deemed impossible.

Germany thus far has emerged from the war in better condition than any nation. There is today less unrest, less uncertainty in Germany than in the nations which were victorious over her in the war.

It is not pleasant to record these facts, it is not pleasant to realize these facts, but, nevertheless, they remain facts.

Germany has been left a vast territory on the east in Russia which she is already at work exploiting while the people in other lands have entered upon an era of discontent, dispute, unrest, extravagance and idleness.

It is time that the people in the allied nations look conditions squarely in the face and acknowledge that they are wasting golden hours and permitting the opportunity for which men fought and died to be trifled away in discord.

All of which may seem a little pessimistic. Let us hope that it is, but we fear the time has come for the optimist to surrender his scepter to the men who look at the facts, even if they see some facts not pleasant to face.

The actual inventory of conditions and prospects taken now, nearly eleven months after the last guns were fired in the world war, is not encouraging in its totals.

Nature's Part

The enjoyable and "seasonal" weather conditions continue although September is drawing toward its close rapidly.

Before this time in September last year we had had several frosts and some real genuine freezing weather, all of which was not a comforting condition in connection with thoughts on the size of coal bin and contents and was not nearly so encouraging to those folks who had crops to gather in.

This year the seasons have, each one and all of them, sent weather conditions which served as efficient allies to man's labors, his comfort and his pleasure.

As the autumn season swings into its control of the great out of doors the temperate weather conditions, so marked a feature of the preceding seasons, are being observed. Men are able to work out of doors, the fuel supply is being conserved, the crops are being gathered and in every way nature, having shown her inclination to produce for man's needs is giving added proof of her mindfulness of conditions existing throughout the world, by enabling men to save what they have raised.

All year nature has produced and is now economizing. Man only refuses to work and insists on wastefulness.

Nature's part is being well done, even from man's narrow point of view.

POETRY FOR TODAY

AUTUMN

Autumn!—in red and blue and gold,
With every charm we knew of old,
Wild aster stars by woodland ways,
Above the hills a purple haze
Whose grace in words cannot be told.

Beneath the apple trees where strolled
We when the blooms were multifold
Lies richer treasure now than May's
—Autumn!

What wondrous music now is trold
By hill and dale, through wood and wold!
Why pipes the wind his sweetest lays
More tinkling tunes the brooklet plays
'Tis thus her heralds cry: Behold
Autumn!

CENTRAL EUROPE IS ON THE MOVE

(By Associated Press)

Budapest, August 28.—(By Mail)—

All Central Europe seems on the move. In a railway journey from the eastern Swiss boundary across German Austria, parts of Czecho Slovakia and as far in Poland as Warsaw and Lemberg, back into Austria proper and thence to this city, an Associated Press correspondent saw dozens of long trains crowded even beyond the capacity of the cars and with every platform filled with men, women and children and the nondescript baggage of the European peasant. Bundles and chests and cloth bags and paper packages, straw and wicker baskets, rope tied, were strapped on every available space.

Where the people are going or why no one seems to know. It is apparently a general reshuffling and milling about of the population.

A woman seldom attempts to jolly her son by telling him that he is the very image of his father.

NOISES SOUNDED LIKE RAILROAD TRAIN SHE SAYS

But Nerv-Worth Banished This and Other Distressing Ills From Mrs. Umstead's Life.

Mrs. Umstead was not content to profit by Nerv-Worth virtues and stop at that. To pass her good news along she made the following statement to Sidney Nerv-Worth druggist and said he might print it: J. W. Pfeil:—I have suffered with head noises for the last six years. Noises sounded like railroad trains and sometimes like four different noises at one time.

Since taking Nerv-Worth these noises have left me and I sleep well now. My stomach and digestive organs are fine now and I feel better in every way—like a new person. I will be pleased to recommend Nerv-Worth to anyone and to tell anyone what Nerv-Worth did for me.

YOU MUST BE SATISFIED

It's poor business strategy, in our opinion, for a firm to appeal for patronage merely because they are of the community. For that reason we ask ONLY A TRIAL, because we are of the community, and expect the quality of our products to make it worth while for you to continue your patronage.

You can't lose a great deal by making a trial, and you may gain much. Now, as a neighborly act, let us fill your tank ONCE, then if you find the goods what we claim, continue with us as a business proposition, but if you are not satisfied, why, just pass on to the next fellow. RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

During the period between March 1st and July 1st, 1919, the Social Morality Committee of the Young Women's Christian Association has given 1,870 lectures in twenty-two states of the Union with audiences totalling \$89,950. During the month of June 1,068 lectures were given in thirty-six communities in twelve states with an attendance of 89,828. The total attendance at lectures given on questions of social, mental and physical health to women and girls throughout the United States since the organization of the Y. W. C. A. War Work Council in June, 1917, is 1,363,570.

Dr. Anna L. Brown, who is head of this department of the Y. W. C. A., is chairman of the program committee of the International Conference of Women Physicians, now in session in the National Board Building of the Y. W. C. A. in New York. This conference was called by the Social Morality Committee to discuss questions physical mental and moral health and to formulate health programs which when adapted to the various countries will be of value in improving the con-

ditions of women. It is the first such conference ever held. Delegates from England, France, Belgium, Scotland, Denmark, Sweden, Norway, Holland, Italy, Switzerland, China, Japan and South America are attending the conference.

"A few years hence it will be as natural for people to renew their Red Cross memberships annually as it is to celebrate Christmas," says Henry P. Davison, chairman of the board of governors of the League of Red Cross Societies. The Third Red Cross Roll Call will be held November 2-11.

The following announcement from the Mt. Sterling Tribune will interest friends of the bride-to-be both in this city and in her former home in New Holland.

Miss Bettie Thomas, the attractive and accomplished daughter of A. S. Thomas, president of Citizens National Bank, entertained eight of her friends with an autumn luncheon, Thursday evening.

The house was a gay riot of September flowers, asters, golden rod, and bitter sweet.

At the pleasant hour of five the guests of honor, Miss Sarah Mosley, of Mississippi and Miss Beth Yaste of West Virginia led the guests to the dining room where a luncheon that boasted of a genius chef, was served. The color scheme of purple and gold was carried out in the table decorations and flowers.

Before the nappy crowd went home they were surprised by Miss Yaste, who had several cats out of a bag she found. Each black feline did its bit by announcing the engagement of Miss Elizabeth R. Thomas to Conrad E. Faust, of Atlanta, Georgia. The purring kittens predicted an early date.

The guests who declared Miss Bettie to be a royal hostess were Misses Bessie Denison, Helen Beale, Anna-nette Blue, Bettie Jones, Floy Core, Mrs. John Dick, sister of the hostess, and Miss Sarah Mosley, of Mississippi and Miss Beth Yaste of West Virginia the guests of honor.

Mrs. F. O. Cline entertained with a very pretty party, Thursday afternoon for her daughter, Elizabeth at the home on Temple street.

The occasion was that of the eleventh birthday of the bright young daughter, and the guests were confined to eleven of her playmates, who spent a delightful afternoon in games.

A dainty two course luncheon was served. A birthday cake with eleven candles formed a center piece. Attractive little rose baskets filled with candies were favors.

The favored guests were Kathryn Taggart, Alice Elizabeth Ellis, Helen Louise Jackson, Georgia Prue Chapman, Kathleen Penn, Mary McClain, Virginia Thompson, Mary Kathryn Junk, Ramona Short and Helen Hutson.

In compliment to Miss Anne Taylor, who is home from Washington, D. C. on a visit, Miss Ruth Davenport entertained with an elaborate dinner at Houston Inn, South Charleston, Wednesday evening.

The guests were Mr. and Mrs. B. A. Schadel, guest Miss Kuskamp, of Marion, Misses Mildred Kidd, Leola Rodgers, Helen Dixon and Lillian English.

Mrs. H. T. Wilkin very pleasantly

entertained the Thursday afternoon Bridge Club.

A jolly party enjoying a few days outing at "The Ridge" includes Messrs. H. T. Wilkin, Willard S. Wilkin, Roy Maynard, A. S. Glascock, Roy Young, Horace Ireland and Pierce Ballard.

Miss Ruth Dowe who for the past two years very efficiently filled the position of domestic science teacher in the high school here will be married Saturday at her home in Carey, O. to Mr. Homer Mitchell.

Mrs. A. M. Gregg and two daughters Ada and Olive, who have been visiting Mrs. Roy Pfeiffer, returned to their home in Waverly, Thursday.

Mr. Marcus Goldman who has been the guest of Mr. Max G. Dice left Friday morning for his home in Middletown.

Miss Bell Gregg, of Waverly is visiting Mrs. George Gregg.

Mr. and Mrs. F. M. McCoy, Messrs. Earl McCoy and Albert Briggs motored to Dayton, Friday, to spend the day with Mrs. Clay Johnson and family.

Mrs. Welter Shoop and Mrs. Wm. Boynton Gage motored to Columbus Friday afternoon.

Mr. F. L. Fraser, the general secretary of the Y. M. C. A. moved his wife and children, Grace, Forrest Jr., and Margaret to this city Thursday where they will make their home. The elder daughter, Grace is attending Western College at Oxford.

Mr. Glen Boots is spending a few days in Columbus.

Attorney Nye Gregg spent Friday in Wilmington on legal business.

Mr. Floyd Minshall and Mrs. Wilder Weimer went to Columbus Thursday to be with their sister Mrs. Albert Wills (nee Nina Minshall) formerly of this city, who underwent a very serious operation at the Protestant Hospital. Mr. Minshall brought back the welcoming news that the operation was a very successful one, and a speedy recovery hoped for.

Misses Lillian and Kathleen Davis leave Sunday for Chicago to enter Chicago University. Miss Edith Worthington and Doris Willis who enter the University of Wisconsin at Madison will accompany them as far as Chicago.

Miss Helen Alden leaves this evening for Carey, O., to attend the Dowe-Mitchell wedding.

Miss Mayne Kuskamp, of Marion, Ohio, is the guest of her sister, Mrs. B. A. Schadel.

Mr. and Mrs. Harry Buchanan (nee Jessie Wahn) are receiving congratulations upon the birth of a nine lb. daughter, at the Fayette Hospital, Thursday night. Mr. Buchanan came in from Kokomo, Ind. to see his little daughter, who has been named Jean Todd.

Miss Mary Dahl leaves Monday to resume her studies at the Howe-Marriott school, Thompson, Conn.

Mr. Lewis Saxton was a business visitor in Columbus, Friday.

Mrs. Walter Dunlap of Greenfield was a shopping visitor here Thursday.

PREPARE WELCOME
FOR "RED" DUCEY

While definite information as to the time of the arrival in Washington his home town, the Fayette War Work Council, hundreds of close intimate friends and citizens generally are preparing to welcome James "Red" Ducey.

According to best advice Fayette county's famous Marine Corps fighter left Washington City Thursday evening, expecting to reach Cincinnati Friday evening, where he will meet the mother of a comrade in arms who sleeps in France and make the last report of her son's death.

Every effort possible to notify the public when definite news of the arrival of Young Ducey in this city is received will be made.

If too late for The Herald, the sound of the band on the streets will be the notice of the formation of the welcoming crowd.

REPORTS SIGHTING WRECKAGE.

Mobile, Ala., Sept. 26.—The steamer Mielorio, arrived here Thursday from Mantanza Cuba, reported passing considerable wreckage from a lake type steamer 300 miles southeast of Mobile Bay Monday and Tuesday, believed to be from the Munson steamer Munisla now 15 days overdue at Havana.

DENTAL EXAMINATION

Announcement was made Friday that the dental examination in the public schools will start on Monday, October 13th and will continue until every child enrolled in the public schools has undergone examination. The examination will be conducted by all the dentists of the city.

SCHOOLS SHORT TEACHERS

Washington, Sept. 26.—The public schools of the nation began the new school year with a shortage of approximately 38,000 teachers. This estimate was made Thursday by the National Education Association on the basis of questionnaires sent to 3465 district and county school superintendents in all states.

To meet the acute shortage, due in large part, Commissioner of Education Claxton has said, to the low salaries paid, it is estimated that approximately 65,000 teachers were employed who were below the standard requirements, existing in the various school districts.

CHINESE PREMIER RETIRES

Washington, September 26.—The retirement of Kung Hain Shau, Chinese premier and minister of finance, from both these positions on Sept. 24 was noted in official advices received Thursday by the state department. General Chin Yun Peng has succeeded to the premiership and Li Shih Hao, the vice minister of finance, will act as head of the ministry of finance.

W.F.M.S. MEETS
IN MT. STERLING

The Forty-third Annual District Convention of the Woman's Foreign Missionary Society was held Thursday at the Methodist Church in Mt. Sterling. Delegates from the Washington and Chillicothe districts were present and helped swell the attendance to the largest number during the past few years.

Fifteen delegates from this city were present including ten from the Woman's Foreign Missionary Society and five delegates from the Young Women's Foreign Missionary Society.

Miss Elizabeth Russell, a missionary of forty years experience in Japan, gave an interesting address in the afternoon as did Mrs. Havinghurst of Columbus. Mrs. Havinghurst chose for her subject, "Children's Work."

Officers present and in charge of the meeting were: Mrs. W. F. Fisher of Waverly, the president of the district; Mrs. G. S. Hodson, vice-president; Mrs. John Dunlap, Williamsport, the corresponding secretary.

BLANTON HELD
TO GRAND JURY

After a preliminary hearing before Mayor V. J. Dahl, Friday morning, Harvey Blanton was held to the grand jury under \$500 bond, which he furnished, on a charge of arson and attempting to burn to prejudice the insurer, the charges growing out of a fire in Blanton's furniture store late in August.

The State was represented by Prosecutor H. M. Rankin and Solicitor Troy T. Junk, and the accused by Gregg, Patton & Gregg.

Deputy State Fire Marshals Pemberton and Carlyle were the only witnesses called, and Pemberton related how he visited the scene of the fire soon after it occurred, having been stopping in this city that night, and of the indications that the fire had been kindled by someone; how Blanton had admitted that he had the only key to the business room he occupied, and stated that the accused had informed them that he carried only \$1500 insurance, and how subsequent developments indicated that he had another policy for \$2500.

While in the court room Blanton was heard to state that "someone must have started the fire."

HEARING IS SET
FOR OCTOBER FIRST

On October 1st, before the Court of Appeals in Columbus, the case of Ohio against William McKitterick, convicted in the Montgomery County common pleas court, of murder in the first degree and sentenced to death, will be taken up in an attempt to have the decree of the lower court set aside and a sentence less severe imposed.

Maddox & Maddox, of this city, represent the plaintiff.

ISSUE SORDERS
TO TRUCK DRIVERS

Certain truck driver who have been making street corners at excessive speed while driving heavily laden trucks, as well as driving too rapidly over some of the fragile up-town paved streets, have been notified by Chief of Police D. L. Moore that unless they strike a slower pace they will be taken up before Mayor Dahl for excessive speed or reckless driving.

In addition to the danger to other traffic by the huge trucks being hurried through the main streets at 20 miles or more per hour, the damage to the streets is very pronounced.

INFANT DIES

Mr. and Mrs. Fred West have the deepest sympathy of friends in the loss of their baby son, David Jenkins, born Wednesday evening at five o'clock and living only a few hours.

Rev. W. B. Gages conducted a short little service at the home in the presence of a few close friends and the family Thursday evening at five o'clock.

The little body was then placed in the vault at the Washington cemetery to await the arrival of Mr. West from Saskatchewan, Canada.

CLASHES MAY FOLLOW PLAN TO CROSS RIVER

Governor Advises the Sheriff to Prevent, if possible, Clash

Between Citizens of Ohio and West Virginia.

(By Associated Press.)

Columbus, O., September 26.—Upon receipt today of a telegram from Governor Cornwell of West Virginia to the effect that 5,000 men from Steubenville and other Ohio towns nearby are reported to be planning to cross the Ohio line into West Virginia for the purpose of compelling workers to quit their places, Governor Cox today telegraphed Sheriff Baker of Jefferson county, to use his best offices in order to prevent any possibility of conflict between citizens of Ohio and West Virginia.

In his telegram to Governor Cox, Governor Cornwell said such an invasion of West Virginia by Ohio strikers will "be regarded as an attack upon the sovereignty of West Virginia."

WILSON REPLY REACHES ROME

Insists On Original Views The Press States

(By Associated Press.)

Rome, September 26.—President Wilson's reply regarding the new proposals for the disposition of Fiume has been received the press announced today and was found to insist upon his original view that the city should be internationalized and not annexed to Italy, becoming the center of a small buffer state between Italy and Jugo-Slavia.

WORKERS WOULD RETURN TO JOB

Eight Per Cent. of Youngstown Plant Anxious to Get Back

By Associated Press.

Youngstown, O., September 26.—That 80 per cent of the 7,000 employees of the Brier Hill Steel Company would be glad to return to work if they could be assured protection to themselves and families is the declaration of the company as expressed by its president today.

It is understood that employees of this company issued the calls for today's meeting to vote on the question of returning to work.

UP TO WOMEN TO BRING QUIET DECLARES LEADER

(By Associated Press.)

Cleveland, O., Sept. 26.—Mrs. Claudia Quigley Murphy economic expert and advisor, counsel and active worker in the Women's National Economic committee, who spoke here today at the Home Economic Conference, believes that it lies in the hands of women to make the world safe for industry.

"There are 22,000,000 women in this country who are going to have some thing to say in the future about some of our economic problems," she said. "You may rest assured that the hand that rocks the cradle is no going to rock the boat when it comes to concerted action on such present problems as the soaring prices of food or any pernicious legislation that 'has teeth' and intends to use them adversely on the public."

"We do not need any investigation by the legislatures to settle food prices. If the 22,000,000 women of this country—and they are the logical purchasing agents, by the way—would join in asking their senators and representatives at Washington to scrap such measures as the proposed Kenyon bill that seeks to obstruct not alone industry, but the freedom of the press and the production from our farms as well—we would need no legislative interventions."

"The Women's National Economic committee, which distributes all sorts of information to women on such matters, has met with a marked response from our women, who are not only demanding definite information but who are giving a most intelligent consideration to these question and their underlying causes. They want to know why, for instance, Senator Kenyon has said that his bill 'has teeth' and what it in tends to bite. They have asked why the public will stand for a measure that plainly takes a wallop at every form of industry and that conceals a joker intended to censor the press the women waking up to these question and they do not intend that anything is to be put over on them. We must face these considerations and not fear them."

COAL OPERATORS FIRST RESPONSE

(By Associated Press.)

Buffalo, N. Y., September 25.—The first response of the soft coal operators to the demands of the United Mine Workers of America for a new wage scale effective November 1, with the alternative of a general strike on that date, will be based on the argument that the present Washington wage agreement runs for the duration of the war, or until April 1, 1920, if the war be not ended by that time, and that there is therefore no reason to put a new scale into effect November 1. It is learned from preliminary statements of coal operators.

FOR PERSONS WHO TAKE EXAMINATION

Persons who desire to take the civil service examination in this city for jobs in the Bureau of the Census, to be held here Oct. 18th and Nov. 15th should read the following information regarding applicants:

Eligibles will be placed in groups as follows: (a) college graduates, (b) high school graduates, (c) those who do not qualify under either group (a) or (b). Competitors will be examined in the following subjects: Spelling, arithmetic, penmanship, letter-writing and copying and correcting manuscript.

Applicants must have reached their eighteenth but not their fiftieth birthday on the day of the examination, and must have been actually domiciled in the state or territory in which they reside for at least one year.

Important: Applicants must submit to the examiners on the day of examination their photograph taken within two years, securely pasted in the space provided on the admission card sent them after their applications are filed which they may receive by applying at once for Form 304, Washington, D. C. Applications should be properly executed including the medical certificate, and filed with the Commission at Washington in time to arrange for the examinations at the place selected by the applicant. The exact title of the examinations as given at the head of this announcement should be stated in the application form. This examination relates exclusively to the office force of Washington, D. C. and has nothing to do with appointment of supervisors, special agents or Enumerators, employment in such positions not being subject to the requirements of Civil Service Law.

ASKING MERCY CONDEMNED MAN TAKEN TO CHAIR

James Morgan Executed At Ohio Penitentiary On Friday Morning.

Breaks Long Silence And Tells Of Crime Which Sent Him To his Death.

Columbus, O., September 26.—Pleading pitifully to God for mercy between sobs, as tears streamed down his cheeks, James Morgan aged 51, negro, who had been silent several days went to his death in the electric chair at the Ohio penitentiary at 12.09 this morning.

Unlike some condemned men of the past, who seemed to relish their last meal, Morgan refused it. The supper prepared consisted of chicken potatoes, vegetables and fruit, but Morgan would not eat. He would not talk to prison attaches for some days avoided conversation all day yesterday.

Tells Of Crime.

At the eleventh hour the condemned negro briefly related the history of his crime, the slaying of Aleck Grant, Wabash Railroad conductor, in Williams County. Morgan declared he shot Grant in self-defense, maintaining he had been carried past a designated point and ordered to leave the train or pay additional fare. The shooting followed.

"Lord have mercy; please save me, please save," repeated Morgan as he was being prepared in the chair for execution.

The electrocution was termed by Warden Thomas as one of the most touching in years. Morgan begged pitifully for mercy and as the high voltage struck his form his plea snapped off in mid-sentence.

No relative or friends visited Morgan on his last day. His body will be buried tomorrow in Union Cemetery by the Shaw-Davis Company, undertakers.

WILL RESUME WESTERN TOUR

(By Associated Press.)

Washington, September 25.—While the German peace treaty received only brief consideration in the Senate today, outside developments indicated that the factions were lining up for the real fight over the league of nations covenant.

The outstanding feature of the day was the announcement by Senator Johnson, Republican, of California that he would leave here tomorrow for the Pacific Coast to keep up his attack on the treaty.

Next in public interest was the news that Senator Ashurst, Democrat, of Arizona, had telegraphed President Wilson that he would vote for the ratification of the treaty.

JAPAN CHARGED WITH VIOLATION

LABOR SHORTAGE
A GREAT PROBLEM
IN THE HOSPITALS

The need for nurses at the Fayette Hospital was never greater than at present time and the Fayette Hospital management states that under the present conditions it is extremely difficult to induce young women to enter the hospital for the nurse's training in view of the fact that when she has completed her three year course she is not a registered nurse but ranks as a graduate nurse.

After leaving the local hospital, in case the graduate is ambitious to become a registered nurse, she must enter one of the larger hospitals, which under the state law, will allow her to attain the desired rank.

The expense to the local hospital caused by this scarcity of young women who desire to enter training is a large factor in the upkeep due to the fact that expert assistance must be secured at a higher rate of salary than paid apprentice nurses.

With the establishment of the new hospital in the Persinger homestead it is declared that this problem will be solved inasmuch as the number of beds contained by the new hospital would bring it within the scope of the state law whereby it is provided that a certain number of beds must be contained by a hospital before the young women taking the nurse training may rank as registered nurses.

The physicians of the city would devote a certain part of their time to the instruction of the young women in training and the nurses going out from the hospital would rank with any of those having taken training in the largest of the city hospitals. The young women would then willingly enter the training with all the prospects in view of becoming a full fledged registered nurse with all the requirement for nursing in any hospital at the highest salaries.

It is said that not only would the expense of the hospital be diminished but much better opportunities would be afforded the young women who choose to make nursing their life work.

NEW BALL PLAYERS
FOR CLINTONITES

According to reports reaching this city Wilmington is making an effort to secure one or two new players for the game with the Athletics at Wilmington on Sunday. When Heironimus made his appearance on the hill against the Athletics last Sunday he was given such a warm reception that a new hurler on the Clinton County mound would not occasion any surprise among the local fans.

A number of the fans are expecting to accompany the team to Wilmington Sunday.

"FLU" LEFT THIS
MAN A NERVOUS
RUN DOWN WRECK

Lima Railroad Man Was Weak, Nervous. Had no Appetite, Stomach Out of Order.

Now Praises the New Remedy, Dreco, For Splendid Relief.

"I had the 'Flu' last year, and it left me in a bad condition; my nerves were on edge; I couldn't sleep; had no appetite; bowels badly constipated, and in a general debilitated state," says Mr. Thos. Bragg of 131 South Jackson Street, Lima, O., a well known Pennsylvania Railroad mail and baggage man.

"My stomach troubled me greatly, and I seldom could eat breakfast; had a bad disagreeable taste in my mouth; my kidneys pained me all the time; had a dull, aching feeling directly over them; and my limbs also ached. My nerves went to pieces so that what sleep I got was fitful, and gave me little rest.

"I decided to try Dreco, as it was spoken of so highly here at home, and it has surely done me a world of good. Really I am surprised myself at the improvement. My pains are gone; I sleep well; bowels act regularly; bad taste in my mouth gone, and breath sweet. I feel like doing more work than ever before. Dreco is great and I heartily recommend it to everyone."

The good old time root and herb remedies are the best for the stomach, liver, kidneys, bladder, and the blood. Dreco is made from twelve different roots and herbs, which act on the vital organs promptly, and in a pleasant manner.

All good druggists now sell Dreco, and it is highly recommended in Washington C. H. by Frank Christopher.
